

LEARN TO SCUBA DIVE

PADI OPEN WATER SCUBA COURSE – With this PADI diver certification you can SCUBA dive to 18m anywhere in the world independent of an instructor. Includes 5 pool sessions and 4 ocean dives, plus dive theory.

PADI SCUBA REVIEW – For divers who have their open water card but haven't dived for a while (6 months to 1 year). This course is a refresher that includes a pool session (skills review) and an ocean dive.

PADI DISCOVER SCUBA – For anyone who has never SCUBA dived, explore the underwater world with an instructor. During your initial explorations you will master basic concepts and then it's off to an ocean journey up to 12m deep.

PADI ADVANCED DIVER COURSE – In the advanced course we do 5 specialities*.

*Specialities can include deep, night, underwater navigation, wreck, boat, drift, naturalist, multilevel, search and recovery.

For all courses all Equipment including tanks, Scuba gear rental, air-fills, dive logbook, dive manuals (on loan), and internationally recognised PADI diver certification card are included in the course fee. All you need is a costume, drinks, lunch, medical certificate and two passport photos. If you have your own mask, snorkel, and fins bring them along.
